STATEMENT OF PARENT/GUARDIAN

I am fully aware of the date, place and nature of the course/project which my dependant has chosen in consultation with myself, and agree that he/she may attend and also seek sponsorship by the Charity in regard of the fees.

I understand that although the Charity may sponsor the full cost of the course, it is normally expected that the parent/guardian will contribute the first £50.00.

I confirm that if the Charity agrees to pay the necessary fees, and subsequently the applicant fails to take up the place reserved without good and proper reason, then I will be responsible for all such fees paid by the Charity which are not recoverable.

I understand that the Charity is the financial sponsor only, and cannot be held responsible in any way for any injuries or losses however incurred consequent upon participation in this course/project.
